You guys asked so you shall receive, these are the 3 biggest numbers I've hit: 250 squat, 305 dead, and 210 bench. I stopped training powerlifting back in January and have not attempted singles since. All of these lifts were done from 160-170lb bw. The bench was legal and I think I just barely hit depth on the squat, the deadlift sucked and I regret even attempting it at the time. [made a post](#)
