The active ingredient of Pharma Nan D300 is Nandrolone Decanoate. It has high anabolic properties and is characterized by weak androgenic activity. Analogs of this anabolic appeared on the market in the sixties. ♦ The reason I chose the rosewater is a smell of perfume that reminds me of a beautiful garden full of the flower and I feel happy, relaxed and at peace. And also remind me of my homeland and my childhood when I had family, mum and dad and my sister and my brother at home. And my mom using the rosewater for cooking and some syrup and some desert. So rosewater mean to me is just reminding me my childhood. Actually, rosewater in my country they using in the food, they using for their religion. ♦ [try this out](#)
