#bulletproofcacao is the real deal. Low caffeine, no jitters, no stress, no anxiety. Full on vegan fat for a #lowcarb start into the morning. Taste beats #bulletproofcoffee by far. Mix pure cacao mass (still contains ~50% cacao butter) with coconut oil. Shake in a thermos bottle. Et voilà.

"Getting help with tips and techniques of what to do, how my body works and the importance of a healthy and active lifestyle. I have not looked back on this challenging journey. I enjoy training and putting curves back in the right places. Finding a new confidence and promoting all I believe in for the right reasons. Reaching for goals I have wanted my whole life but never been brave enough too. "
