DRAGON PHARMA REVIEWS - CHECK YOUR LAB! The pharmaceutical company Dragon Pharma was founded in 2009 as a small research laboratory, it produced an assortment that included only 4 (four) medicinal products in its patented formulation. After a short period of time, the number of medicines produced by Dragon Pharma has tripled, and to date, Dragon Pharma have in their assortment more than 40 ...

This review for the Test 400 that I picked up in the penny promo DragonPharma.net had a few months back. I had been checking Dragon Pharma out and wanted to give them a go but hadn't and I was lucky enough to get in on there promo this was my chance. T/A was close to two weeks order was pack well they even sent the box to go with the vial.

#transcendjake 💎 #transcend #jakebeaudin Ordered 2 vials of 400mg test e from Dragon Pharma for my first cycle on a 10 week period. Started to notice gains on my 4th a bit and then on 5-6 week it was rly getting noticable. Really happy about the test e. Next cycle will be: dianabol, test, and deca from Dragon Pharma.
