DRUG TEST RESULTS / MONEY

Hey Mikey, I just received the results from the lab & it's been confirmed in fact a NATURAL BEAST!!! I'm on my way right now but will be mailing out the check first thing Monday morning

Again congratulations on your incredible achievement at our Michigan State Rapids & I wish you continued bliss that you do!

P.S. just a reminder we have next week locked in for Sept 9th, 2021...would be honored to see ya there to defend

Part 1 is on my channel where we discuss Steve's background, the risks of leaving the natural lifestyle, and blood work / body scans. Part 2 is on Steve's channel touching on hormone levels after AAS use, psychological stress from the bodybuilding lifestyle, and if PEDs cause premature aging. Check it out on YouTube and podcast apps :)

Some mycotoxins interfere with the 17-beta-hydroxysteroid dehydrogenase (HSD) class of enzymes, which are prominently involved in both androgen and estrogen metabolism. ENB has been shown to lower estradiol and progesterone in adrenocortical cell lines. Progesterone production may be increased by alternariol and decreased by ZEA in adrenal glands.
