

Where Can I Buy Proviron In The Uk | Buy Proviron UK - Pharmabol UK

Buy Proviron UK. Proviron® is Schering's (now Bayer's) brand name for the oral androgen mesterolone (1-methyl dihydro testosterone). Similar to dihydro testosterone, mesterolone is a strong androgen with only a weak level of anabolic activity. This is due to the fact that like dihydro testosterone, mesterolone is rapidly reduced to. Description. Proviron is an oral steroid containing 25 mg of the hormone Mesterolone per tablet. Proviron is not an anabolic but a very powerful anti-estrogen. It prevents gynecomastia while reducing fat and water retention, it allows the relaunch of testosterone production in the testicles and prevents the aromatizing of anabolic steroids.
