Wasn't happy with how the tattoo looked after the first session so had it completely retattooed today. Bleeding for the cause. This time it is solid black and bold like I wanted it originally. I wanted it readable from across a room. It already looks so much more to my standard. A nod, respect to Jon Paul Sigmarsson and to forever remember the day I first pulled 700lbs on deadlift. Still went to the gym after and did back since we did deadlifts and stiff leg deadlifts lastnight. Yes we wrapped it good and cleaned it before and after the gym. Was just jacking around, no belt no straps I can single arm deadlift 225. Could I have done more I'm sure I could but why? Haha
