Rep Power. 0. Balkan Pharmaceuticals Test-E. Legit??? I just received my BP Test-E, and find something fishy. On the right side of the label, there is a spot for LOT and EXP, yet the LOT and EXP and code are printed right in the middle of the label. Is this normal? Every picture I have seen of BP Test has the LOT and EXP where it's supposed to be.

That's why Balkan Pharmaceuticals is checking all the raw materials before starting the production. Only the best raw materials that have passed the test are used to produce one of the best products from the world. At the moment they have two manufacturing facilities that are located in Moldova and are equipped with the most modern equipment.

Balkan pharmaceuticals is one of the best labs. I am an old Balkan products user and my opinion is that Nolvadex and clomid are both important. Clomid stimulates natty test levels back to normal. Nolvadex is a SERM it prevents the estrogen receptors in your nips from attaching estrogen...thus preventing gyno. reply 0 0 0 fenix10 9Y ago Balkan Test E Balkan T-bol SP Test E and Test P.
