Today i was invited to play my last game in NYC and with @dreamchasersbaseball. I feel proud to have played for this team and i will cherish the great memories i had with my coaches and teammates and i will continue to practice all the knowledge that was given to me as i move on. Thank you coach Mike and thank you team.

Even coaches have coaches. We understand that the outside perspective and relationship built is invaluable. If you find you're working hard and not getting the results you want... maybe it's time you link up with a coach. [?]
