One of the main contributing factors in vaginal dryness can be the fall of estrogen, which helps to maintain normal moisture, elasticity and acidity. Some disease states or other reasons can also be causative of dryness in this area.

SOMADROL 2.0 ci permette di sintetizzare più proteine del normale, per cui la riparazione dei nostri muscoli è più efficace e compensativa. I muscoli aumentano di dimensione molto rapidamente. Riduzione dei livelli di serotonina e aumento della ATP delle cellule.
