These pictures are directly a year apart the left taken in 2018 and the right 2020. Although my body has changed shape my mindset has also changed. In 2018 like most girls I wanted a toned stomach with a six pack and toned legs. 2 years down the line and a lot of lifestyle changes here we are without a six pack and moderately toned legs ☐ 2 years ago my fitness was focused around long distance running which is the main reason I was leaner, now I just lift heavy weights and keep my step count high ☐
