I wish I could put on spell on everyone who thinks you can lose fat without being in a caloric deficit. Oh, and everyone who tries to sell BS magic pills to get a “dReAm bOdY” without doing the work.

Растяжки для шеи

Упражнение «Сова» растягивает грудинно-ключично-сосцевидные мышцы.

- Выпрямите спину, расслабьте верхнюю часть тела. Медленно поворачивайте голову вправо, чтобы подбородок оказался на уровне плеча и располагался параллельно полу.
- В таком положении наклоните голову к правому плечу и задержитесь на 30 секунд.
- Повторите упражнение, наклоняя голову влево. Для достижения лучшего эффекта придерживайте затылок правой и левой руками соответственно.
