Today was leg day!! Ended with some single leg leg press and fictional training. Great way to end!! Excuse the sweat but your girl was pushing it today!☐

DOES THE DURATION OF A TRAINING SESSION MATTER? (can you train for too long?)

Today on Instagram however the brand teased an all new product called WAP which apparently stands for Wicked Anabolic Product. While we haven't seen a full supplement panel with dosages they have revealed the ingredients or at least the main ones will be Wishania Somnifera, Anacyclus Pyrethrum, and Paradoxine, all dosed at clinical dosages.
