Oxanabol is the trade name for the steroid Oxandrolone or as many people tend to call it - Var. That's because the most famous and widely used brand name for Oxandrolone is Anavar and that's why a lot of people shortly call this steroid Var. Anavar is actually the exact same steroid as Oxanabol because they are both offering the same active ingredient, of the exact same high quality and ...

It has all over embroidery and hand stone work throughout the body and cutwork embroidery border which work is made it with zari and with handstone work..
