The MR-100 Primo, meaning "first" in Italian, was awarded Best Steam Cleaner in Class by the leading consumer rating digest. Each burst of steam from this ultramodern machine leaves a powerful, deep clean due to its advanced solenoid operation, 1500 watt heating element, adjustable steam controller and onboard electronics.

I am so excited for the people who invested in their health and enrolled in this next Group Transformation! Everyone deserves to experience how eating real, organic superfoods and cleansing toxins and chemicals from your gut uplevels your body AND your mind in so many magical ways. It brings a new sense of value to your life, and that energy can then be translated into whatever it is that you are passionate about. It's a beautiful domino effect. [more information](#)

Backyard Family Grill. Primo's Large and Round charcoal and X-Large gas grills are the perfect size for feeding families of 5-10 people. Utilize the multiple cooking configurations our Primo grills offer to grill the meat of your choice via direct heat on one side, while indirectly roasting tender food such as seafood or vegetables on the other. Enthusiastic consent goes hand in hand with informed decision making. That is why patients should have access to the most complete information available, on a diversity of supports (not everyone is fluent on medical textbooks and that's ok!) so they can make the best decision for themselves. The Vapamore MR-100 Primo Steam Cleaning Machine is an industry leader and our top seller for the home. After years of research and customer feedback, the redesigned Primo comes with a variety of new tools and accessories to improve ease of use and functionality.
