With this article I'll show the difference between real Sustanon and fake Sustanon. Most people believe that a certain product is counterfeited by an individual or organisation. To show that that is not true I post this picture of Portuguese Sustanon (country number 170). The only real ampoule is the left one. Sustanon 400 - Myogen SustaGen Retard 400 comprises of 4 testosterone esters and is a long lasting and dynamic blend that will return optimal results. Sustagen 250 Myogen The worlds most popular testosterone blend. #ironmaglabs #Supplements #Nutrition #Fitness #Bodybuilding #HealthandFitness #Ambassador #FitnessAmbassador #vitamins #nutrition #wellness #energy #IFBB #NPC #MensPhysique #FitFam #Gym #NationalQualifier #Swoleanomics #FitnessRevolution #fitnessgame #BodyBuildingNutrition #ProHormones #FitnessModel #Andro #SuperAndro 1

Meditech Pharmaceutical steroids Now im wondering if I should run Sust 400 instead of Enanthate .

As is the case with many other steroids, gynecomastia is a real concern with Sustanon 250. Gynecomastia (or gyno) is the swelling of male breast tissue, and can give you some serious moob problems. It can happen to either one breast or both, and can create uneven (wonky) development. Some roid users try and change their dosage of Sustanon to ...

Some other will call mixed esters a blend or supertest 450 for example. But the only way it is a real Sustanon is the above stated esters I. that correct doasges. THE 350 sustanon people are talking about is supposedly 200 100 50 mgs prop the other 2 are cyp and eth. Never seen it officially just members stating it is that. ?And this is why people will think women or men are confusing. Not only are people different, but people have different parts of the mind and depending on which part of the mind is stronger at the time, you will get a different reaction. T-400 is basically an improved version of the popular anabolic steroid SUSTANON-250. SUSTANON-250 is a blend of four different testosterone esters, which have in case of good timing synergistic effect.
