## Alpha Lion Superhuman Pump Review: Is It Good?

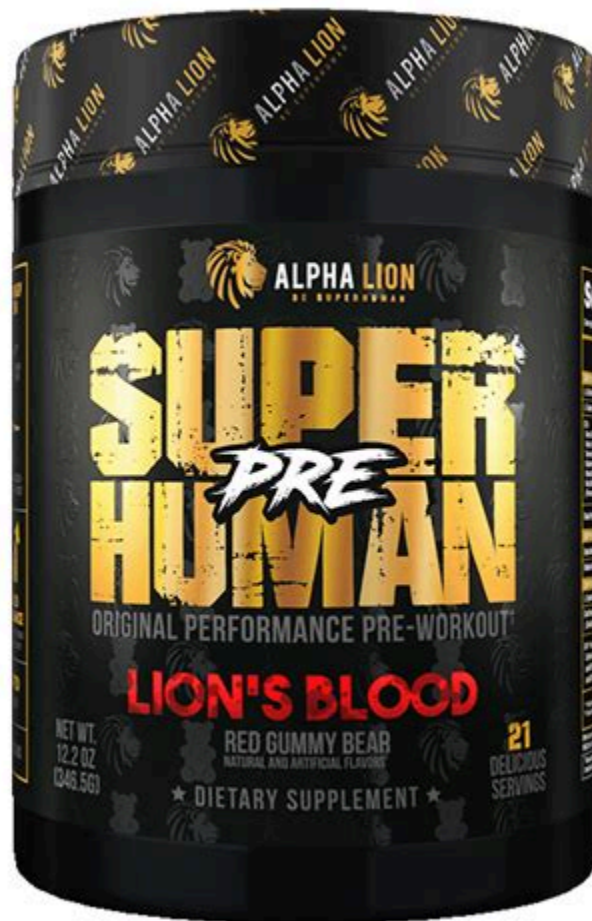

Alpha Lion's Gains Candy Ripfactor is a muscle-building supplement that has been generating buzz in the fitness community. This product claims to provide significant increases in muscle size, strength, and overall body performance, with some studies showing results in as little as 14 days. With a unique blend of ingredients, it aims to .

## Alpha Lion Gains Candy Ripfactor Review: Unbiased Insights

The thing is, betaine anhydrous is usually used along with creatine, which has a lot more substantive science backing it up as a muscle builder and performance enhancer. Alpha Lion didn't include creatine in any form, which means Superhuman Extreme is just not as comprehensive as we would like to see. It's still an excellent preworkout.
