If you look at reviews of "avant labs one", that's an identical product but with a topical gel delivery system so not as effective as nano crystals.

## One Plus by Avant Labs? - Bodybuilding Forums

This led to the introduction of a wave of extremely popular topical 1-testosterone based gels such as Avant Labs' ONE and ONE PLUS, and Biotest's MAG-10. These blew the popularity of 1-testosterone to new heights and used doses of around 100mg+ but with a higher bioavailability of around 10%. This meant that users were experiencing faster .
