Pre-war Kyiv metro stations, more than transportation. When I was in Kyiv before the war, the metros were teeming with people coming and going, the lifeblood of a busy metropolis, like in so many urban centers. They have become safe havens as air raid shelters since the war began in February 2022. Indeed, some stations have been closed for .

Hydraulic V2: New School Pumps - Axe & Sledge Supplements

DBAP Pre Workout DBAP is Axe and Sledge's most hardcore pre workout to date. By NutriCartel standards, this is a hard hitter focusing on physical energy and some thermogenesis. This is going to be a high stim, aggressive pre workout. Those sensitive to Yohimbine and Alpha Yohimbine should stay clear of this pre workout. DBAP contains 550 milligrams of caffeine, which is a big wtf.
