What are the best ProHormones these days - Underground Body Building Forum

In 2015 most of the drugs you think are prohormones are, in fact, illegal steroids. Some have been officially banned by name. Mithras, DMZ, superdrol, turnabol, halovar, trenavar, trenzilla, bestdrol etc. are all actually methylated and thus not prohormones, just oral steroids and have all been banned in 2014 DACA or the "prohormone ban".
