

Just order some Formeron from Black Lion Research. I've heard tons of great feedback on this product and can't wait to give it a try. brundel Registered Joined Aug 22, 2008 Messages 2,602 Reaction score 414 Location Pedal to the metal Mar 11, 2012 #2 Awesome brother. I think you'll be stoked on it.

Works excellently. Touch controls are superb. Some writing on the side with a big batteries compartment let's it down a little, would look far more slick without it. And as typical it still has the spring so you can't flick it like in the show.

1 May 20, 2013 #1 BRUNDEL was kind enough to let me try out a couple products during my Trestabol/LMG run. Both of these compounds are known for aromatization and elevated prolactin. So, these are the perfect compliments. You can find the products through Nutraplanet by clicking on the following links: I started the cycle and the run last week.

The two weeks i used formeron, i was using daa at 4g daily and ai testopro. The very first application of formeron i got a headrush/mild headache and became very hot. Within the first couple of days, (2-3) i shed a lot of water weight, became very dry; joints ached, shoulders and wrists and serious forearm pain! Almost felt like i was using femera!
