

Test Cypionate Injection Sites | Testosterone Cypionate Injection, USP

Testosterone Cypionate Injection, USP for intramuscular injection, contains Testosterone Cypionate, USP which is the oil-soluble 17 (beta)- cyclopentylpropionate ester of the androgenic hormone testosterone. Testosterone Cypionate, USP is a white or creamy white crystalline powder, odorless or nearly so and stable in air. With that said, testosterone cypionate injections are available online. You can buy testosterone cypionate online from a number of websites; however, many are outsourcing the product from different countries. Without a prescription, the price tag can be incredibly steep and even more worryingly, the products may not be safe, or even genuine.
