Testosterone Propionate - steroid.com

Testosterone Propionate; Testosterone Propionate - China Manufacturers, Suppliers, Factory. The key to our success is "Good Product Quality, Reasonable Price and Efficient Service" for Testosterone Propionate, Hexapeptide-10, MT-2 2mg, Bpc 157 Peptide, Formestane. Let's cooperate hand in hand to jointly make a beautiful future. Testosterone Propionate is a commonly manufactured injectable form of the primary male androgen hormone testosterone. The added ester to the testosterone - "propionate" is only responding for slowing down the rate in which the testosterone is released from the injection site (otherwise, without an added ester - the testosterone is going to dissipate too quickly as soon as it would be.

Testosterone Propionate Test manufacturers & suppliers

Testosterone Propionate is a pure testosterone hormone. Although synthetic it is a perfect replica of the primary naturally produced male androgen testosterone. By design, the hormone is attached to the Propionate (propionic acid) ester, a small/short ester that enables the hormone's release time to be controlled.
