Ready in just 49 days, +Speed Auto from Sweet Seeds is a fast-finishing strain that has plenty to say for With ideal parentage in the form of Auto Critical Mass x Speed Devil 2, she'll grow to around 90cm in height, but is still ideal for a clandestine indoor growing

Top 15 Best Autoflowering Seeds - Mold Resistant Strains

LSD-25 Auto is a purple autoflower strain bred by Fast Buds from potent LSD genetics with Canadian LSD-25 Auto seeds grow into medium/tall plants that respond well to During the later stages of flowering, the purple color LSD weed smells pungent like paint or varnish and gives a strong psychedelic, creative

Trainwreck Auto Cannabis Strain Week-By-Week Guide | Fast Buds

Thanks to the 22% THC percentage, you can expect an overall balanced yet potent effect that starts as a stimulating head high that gets you comfortable and cozy before deeply relaxing you and relieving pain without leaving you

Autoflowering Plant Yield | Autoflowering Cannabis Blog

Sorry, no photo available

Of course, there are general guidelines like that regular autoflowers like Fast BUD #2 will typically yield far less than SUPER autoflowers like BIG But that also is not written in stone because you can grow a small yielding plant in nearly perfect conditions or get a bigger yield than from a SUPER autoflower strain in poor

Autoflower Seed Germination Guide - Autoflowering Cannabis Blog

The seeds I used were Sweet Seeds - Fast Bud #2, the soil was a basic potting soil with balanced N-P-K and I used tap First of all, you need to germinate your selected autoflower seeds! So take your container (in my case a plastic food storage box) and clean it properly so that there is no dust or any other contaminants inside

Blueberry Auto Cannabis Strain Week-by-Week Guide | Fast Buds

This classic variety was revamped by the Fast Buds team and thanks to the top-notch genetics, you can now grow Blueberry in auto version, allowing you to harvest up to 500 gr/m² in as little as 9 weeks. This is a resilient Indica-dominant strain that produces up to 22% THC and grows around 110cm while producing a delicious sweet blueberry.

Best Autoflowering Seeds • 2022 • Top 5 • Weedseedsexpress

Big Bud Autoflower is definitely one of the best. With a maximum yield of 500 gram per square meters when grown indoors, she is a worthy competitor for any plant grown from non-autoflower feminized marijuana. This can be attributed to the heavy nuggets that can be harvested after a short flowering.

period of about 45 to 50

Jack Herer Auto Cannabis Strain Week-by-Week Guide | Fast Buds

Jack Herer was one of the most active cannabis activist, he became famous all over the world for his deeds in the cannabis Back in the '90s, there was a rumor a Dutch seed bank was working on new The strain was kept hidden until 1990 when it was released in honor of Jack Herer, having the same name as the
