So we converted our masterbedroom closet into my Cloffice (closet office) and I'm obsessed. Jarvis helped me with the wallpaper but I did everything else all by myself. We removed the shelving, spackled and painted. I'm so proud and I can now enjoy my workspace.

Hormones are necessary for way more than reproductive purposes. The sex hormones specifically in the steroid family and play a role in every single cell [2].

Getting my new birth certificate this week! Just applied today! Also got my pictures taken for a new passport and they don't even look too atrocious for a passport pic! Still looks a little bit weird and not completely like me but we all know the deal with passport photos, just have to accept it lol
