Drostanolone (often known by other name - Masteron) Propionate is an injectable anabolic steroid that is being derived from dihydrotestosterone (DHT). Here, the DHT backbone has been changed with a 2-methyl group in order to increase the anabolic properties it has and this has made the agent to be a lot much more effective in providing the growth of the muscle tissues than its non methylated ...

Always know the mind is more powerful than the physical body. I've yet to come across very few in this lifetime with as much mental strength as yourself. If this physical transformation is your next big goal you already have all the ability to achieve it. You will be consistent everyday cause we don't settle for less than excellence...no matter the obstacles or potential setbacks we move forward without ever looking back...you're no longer that same person anymore, you're becoming better! Keep this as a reminder I'm always with you..Don't ever give up, because we don't quit on ourselves...It's ALL or Nothing, second place is not an option anymore, and YOU WILL WIN!

A recent study revealed that bacterial vaginosis could be contracted through sex. Here's what you need to know

A doctor reveals all.

discharge. According to Intimate Health Specialist and leading cosmetic doctor, Dr Shirin Lakhani, of Elite Aesthetics, bacterial vaginosis "is an abnormal vaginal condition that is characterised by vaginal discharge and results from an overgrowth of bacteria in the vagina."

"It's not actually a bacterial infection but rather an imbalance of the bacteria that are normally present in the vagina," says Dr Shirin.
