Final look at a fasted 281 lbs before I head out to Dubai to make my @officialgasp family proud. It's been great working with @jailhousestrong these last few weeks because it's obvious the power lifting program has definitely added some good quality tissue along with my coach @ifbbprodominickardone keeping me accountable and @yourchefdre handling my food prep needs. @animalpak keeping my workouts great and full of intensity with the fury preworkout and the pump pro that gives me insane pumps while I'm training. Stay tuned for a exciting week. .
