14. yes, chewing increases the absorption rate of some pills. the pill effectively has more surface area. although my area of pill expertise is ecstasy, not AAS. a few years ago, i could take one pill and feel great for around 3 hours, or crush it up and swallow it that way, and feel AMAZING for about 1 1/2 - 2 hours.

No way anyone can say oral is just as good as injectable if they have used both. Also if it bypass the first pass it is easier on the liver I don't care all the bs some are saying. Plus injectable is atleast 10 percent more effective at the same dose wich means less mg on inj. Compared to oral. That in itself is less toxic.

Alex_Prokopenko579150 November 21, 2021 [Uncategorized](#). Taking Dbol with Protein Shake..Yes or No Is it OK to take Dbol with a protein shake? Or will the milk hinder the absorption of the Dbol into my system? Thanks. 06-29-2002, 11:54 AM #2. RUSSIANBEAR. Member Join Date Nov 2001 Posts 525. No bro its just fine, i actually use to throw my orals into a blender just for the hell of it. Winny/D-ball.

It's got no fillers and nothing

that's kept secret. While Dianabol would generate fatty areas, shrink the testicles and flare up acne, to mention the lightest side effects, D-Bal Max does none of that. It does not cause damage to the body in any way as long as it is taken as prescribed. Take one capsule three times a day with water. [see page](#)
