Special Price \$29.99 was \$52.99. Thymosin Beta 4 (TB-500) for sale is available in lyophilized powder form, in 5mg vials. It is only for research purposes and not for human consumption. ABOUT THYMOSIN BETA 4 (TB-500): TB-500 is a synthetic fraction of the protein thymosin beta-4, which is present in virtually all human and animal cells. 20+. \$ 29.95. TB-500 Peptide quantity. Add to cart. Rating: Categories: Other Research Peptides, Peptides. Buy TB-500 Thymosin Beta 4 Peptide from Nootropic Source. 5mg Vial. Lyophilized Powder. Fast and free shipping on orders over \$150 (USA ONLY)

TB-500 (Thymosin Beta-4) TB-500 is a synthetic version of the naturally occurring peptide present in virtually all human and animal cells, Thymosin Beta-4. This potent peptide is a member of a ubiquitous family of 16 related molecules with a high conservation of sequence and localization in most tissues and circulating cells in the body.

Buy TB 500 Peptide Sciences. Peptide Sciences, a US manufacturer of high purity research peptides, offers Thymosin Beta 4 for sale 10mg at only \$165. When buying TB-500 peptide, remember to always looking for a peptides 2020 supplier that states the illegality of peptides for human usage. [prev](#)

Buy TB-500 online today from GenX Peptides. We offer the highest grade and purity of TB-500 for sale at a competitive price in the USA. For best results buy TB-500 peptides of the highest quality from GenX Peptides. For more information on TB-500 peptide please visit Pubmed. References & Product Citations

The TB-500 peptide sequence is identical to the active region of thymosin-beta4 and has many, and possibly all, properties of thymosin-beta4 in a form that is much cheaper to produce. TB-500 is known to at least partially stimulate the growth of hair loss due to androgen-induced hair loss, and to be able to give a darker colour to at least the.
