👋 Hey guys...so, from Monday, that's me done for 2020. And what a year it's been! It's time to take a rest and gear up for what will be an interesting 2021: A year that will see a review of The Gambling Act getting into full swing here in The UK; The rapid expansion of Online Gambling over in The States; @kickin.the.punt continuing to fight the good fight in Australia, calling politicians c\*\*ts (love ya man); and myself stuck in Scotland during a Pandemic - which will be stuck in The UK and not in Europe. (That's as about political as I'll get on this page folks...).
