L-Triiodotironin Sodium 25mg, 100 tablets (Abdi Ibrahim). Tiromel (T3), brand name for substance liothyronine sodium is a thyroid hormone. It is used to treat thyroid insufficiency (hypothyroidism). Taking of T3 causes a faster conversion of carbohydrates, proteins, and fats. Quando o empregado, no seu periodo de descanso, fica a disposicao da empresa, de prontidao, podendo vir a ser acionado a qualquer momento atraves do celular, notebook ou qualquer outro meio de comunicacao, estamos diante do chamado sobreaviso. T3 (Tiromel) is not an anabolic/androgenic steroid but a thyroid hormone. As a substance it contains synthetically manufactured liothyronine sodium which It is interesting to note that L-T3 is clearly the stronger and more effective of these two hormones. This makes T3 (Tiromel) more effective than the...
