Premessa: buttando giù la nuova programmazione abbiamo fatto focus sui muscoli più carenti, anche all' "interno" del muscolo stesso e abbiamo deciso di lavorare prettamente su quelli. Esempio più proficuo non può che essere il dorsale. La schiena infatti è UNA ma formata da PIU' muscoli. Nel mio caso ho tanto sviluppati erettori e laterali del dorsale, mentre mi mancano "pezzi" sul medio/centro schiena; quindi avviso che ogni posizione delle mani in presa, ogni esercizio, presentato qui ha target in quella zona.

The anabolic activity of Turinabol is somewhat lower than that of Dianabol as well, but it does maintain a much more favorable balance of anabolic to androgenic effect. This means that at any given level of musclebuilding activity, Turinabol will be less likely to produce androgenic side effects. Turinabol_Swiss_Remedies_Leaflet.pdf (74.95kB ...

Mixie - the wierd power drink made from all that people consider of no value - it's a creation that Juicy Servant and Tapeworm Boy made, before Tapeworm Boy's betrayal. They two are the only people in the whole world, who know it's recipe. Mixie is rumored to give the user abnormal speed, but is a dangerous drink, if consumed in large quantities could instantly stop ones heart...
