For every exercise, you can add weight if it's too easy, if you have a bag you can put in it anything heavy that you have at your disposal and perform the exercises.

A man with dark hair and glasses, wearing a grey t-shirt and dark pants, is performing a plank exercise on a rooftop terrace. He is in a side profile, supporting his body on his forearms and toes. The background shows a building with a large window and a cloudy sky. A semi-transparent text box is overlaid on the right side of the image.
