bpc 157 for cartilage

It was a great final class for this session. We will be running the class next month outside before transitioning to indoor classes. It was a fun night with some mixed object strength work and some core work with some added difficulty. Of course boxes are always a favorite for this age group and they did extremely well with the entire workout. It was a great fall night, and we are looking forward to seeing many faces return next week as well as new ones joining in on the fun. It's been a pleasure working with this group, we will see you all soon!.
