Durch die Kontaktbeschränkungen habe ich Zeit, um endlich etwas Neuroanatomie nacharbeiten zu können ?. Ich freue mich auf ein Weihnachtsfest nur in unserer Kernfamilie, in der wir auch gar nicht mehr so oft zusammen kommen. Wir können endlich mal Raclette 🍷 machen, was wir bisher noch nie an Weihnachten gemacht haben, da wir sonst einfach zu viele Leute waren.

I always watch Love Actually and The Holiday. I always make a gingerbread house with my husband (and spend weeks eating it with a cup up hot tea). I always (except for this year with COVID) have a cookie swap with my girlfriends, where we all bake a different kind of cookie, sip hot cocoa with peppermint Schnapps and catch up. I always decorate the Christmas tree on Black Friday with my mom after we get lunch and go shopping (again, pre-COVID).
