Boldenone undecylenate 250mg Boldenone undecylenate is a veterinary injectable steroid. It is a derivative of testosterone, which exhibits strong anabolic and moderately androgenic properties. The undecylenate ester greatly extends the activity of the drug (the undecylenate ester is only one carbon atom longer than decanoate), so that clinically injections need to be repeated every three [...]

## Do you ever miss???

Unexpected day. Was able to work at Baldwin Winery today. How I have missed being busy and talking with people. Wearing a mask is definitely different. And hand sanitizer was my friend.
