FastBuds Strain Recommendations n - The Autoflower Network

Yes that is the plan, CBD Crack was the only one i tried and I really loved, but Green Crack makes more sense if it's not that strong, as it is bred from that, have you tried Jack Herer? seems like it fits what I'm looking for, and I'm thinking of either Amnesia Haze, Gorilla Glue, or Skittlez for profites or if you can recommend

Green Crack Marijuana Strain Review [Full Update] - WayofLeaf

This review focuses on the sativa-dominant version of Green Crack, which is believed to have originated from a cross of Sweet Leaf Indica and Skunk. It contains a reasonable level of THC, though less than some of the newer hybrids on the market. Thankfully, Green Crack doesn't need massive THC content to get you going and leave an
