WHO LIVES IN THE

Dato' Halim is currently the Director of Pharmacy at the Health Services Division of the Malaysian Armed Forces and leading the military pharmaceutical care & pharmaMedLog services. Dato Halim is one of the Pharmacy Board members in Malaysia and well recognised by International Pharmaceutical Federation (FIP). 150 mg per day of Cut Stack (1 ml) would provide 350 mg per week of each compound in particular. This dosage is more than enough to offer amazing effectiveness. If you're an absolute professional you may go up to 2 ml a day but this dosage is way too high for most people. Well, this month I thought it would be perfect to share tips on how to make self care a priority even for those of us with the busiest of schedules. I get it. My schedule is jam-packed as well... but one thing I know is that pouring from an empty cup is one of the quickest ways to burnout. [prev](#)
