It is also is one of the rare steroids that were created

to specifically benefit those trying to dope for sports. Some of these steroids synonyms... Got another new recipe from @theremingtonjames These are cream cheese cookies. I changed them up slightly because that's just what I tend to do but I know the original recipe would be just as good! I used almond extract instead of vanilla for a little added flavor and oat flour in place of ap flour. This batch made a dozen cookies, so a serving size is 4 cookies.
