Moxibustion therapy is the use of herbs to warm acupuncture points and meridians for therapeutic benefit. Moxa is made from the leaves of the mugwort plant (*Artemisia argue*) and is processed into various forms. It provides a deep penetrating heat that is healing and comforting. Its use predates written history and is thought to have paved the way for mapping out the acupuncture channels that we use today.? For anyone curious, the extracurricular student groups that hold events in medical school are often called ♦ Interest Groups ♦ (akin to societies and student unions in undergrad). I organized this event with my fellows co-chairs of the Internal Medicine Interest Group (and next week, I ♦ will be hosting a Women in Surgery event with my fellow co-chairs on the Surgery Interest Group!) Concentration: 150 mg. Active substance: Trenbolone Acetate-50mg, Trenbolone Enanthate-50mg, Trenbolone Hexahydrocarbonate-50mg. Leave a review with the photo, write to us and we will send you a promotional code for 5% discount, which you can use the next time you order. Outside validation is a strong force, but fluctuates on a whim. You need to shift your concerns inward. So long as you believe in yourself, outside forces have no control. #believeinyourself #selflove? @paul.yashna [find more information](#)
