Description. Testosterone Undecanoate - Nebido brand by Bayer-Schering AG (Turkey) and also generics by Sun Pharma (India) or Singature (Singapore) is not bodybuilding but rather medical product, unique by its properties due to extremely long action comparing to oral testosterone undecanoate (andriol/restandol) or androgel/testogel widely used for the testosterone replacement therapy purposes.

So.. how do we define a successful weight loss maintenance? Looking at the literature, traditional methods suggested that gaining no more than 2kg (or ~4.5 lbs) was successful. This definition proposed fails to acknowledge someone's initial percent weight loss. This is important as smaller weight loss is disproportionately impacted. As such, we need to keep the initial weight loss in mind.
