Find a program/routine that works for you and stick with it. Instead of trying to constantly shock your body with a new workout, focus on mastering your current routine and gradually add more volume or intensity to it. Give your body at least two weeks per routine and you will start progressing even faster towards your goals! ☐

O compromisso e a busca por inovação norteiam marcos importantes na trajetória da Eurofarma, como o lançamento do primeiro produto genérico de uso oncológico no país, no início dos anos 2000 e, pouco tempo depois, de genéricos contraceptivos orais e injetáveis, à frente da concorrência.

If you've got off track this holiday season, still eating a load of crap and struggling to get back to clean eating, your best bet is gaining more of the right kind of weight, i.e. muscle > fat.
