These 2-step tests are fast, inexpensive, and reliable, and embody the very latest advances in drug reagent technology. Developed as part of an ongoing collaboration between William Llewellyn (ANABOLICS author) and an accredited forensics laboratory. This 2-Step test kit checks for the presence of Stanozolol in pills.

Sometimes the ones that ain't your type  
are the ones that change your life  
and treat you right.
