

Poesia

di Pasqua

un giorno

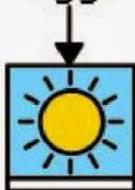

perfetto

La mamma

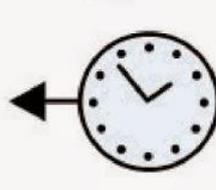

oggi

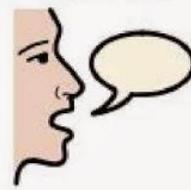

mi

ha

detto

che

è

il giorno

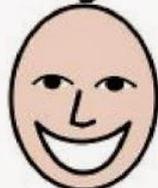

perfetto

per portare

allegria

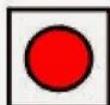

e

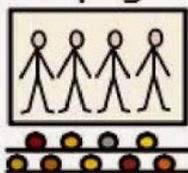

per stare

in

compagnia .

è

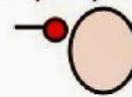

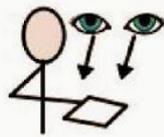

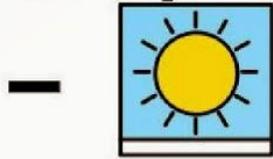

il giorno

perfetto

per dimostrare

il proprio

affetto

per regalare

felicità

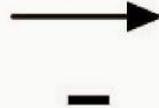

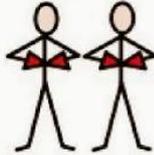

a chi

vicino

ci

sarà

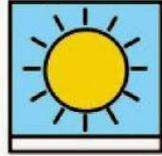

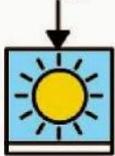

Oggi

è

il giorno

della

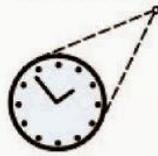

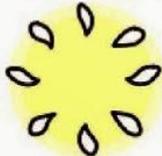

vita

la bellezza

è

infinita

Tutto

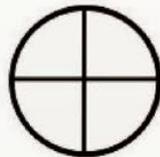

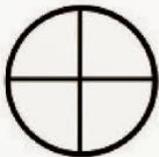

rinascere ,

tutto

ha

un

colore

1

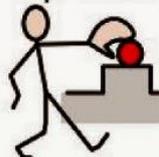

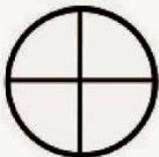

tutto

si riprende

con

tanto

amore

Ecco, la Pasqua è arrivata

insieme

alla primavera

colorata .
