Injects and orals from Balkan Pharmaceuticals is perfect ! 20 years ago I used to take laboratories like Organon, now I only use Balkan Pharmaceuticals, organon is too counterfeit. I hope that one day they will offer Ganabol (Boldenone), I will jump on it! Or Growth hormon ! Thanks Balkan for the work From a old boys ^^ BASIC; 2 .

Hi. Everything is OK. You are not the only one who had issues with the RoidTest tests. And as I wrote you Balkan Pharmaceuticals is a pharma-grade company and you will not be disappointed in their products. Glad to know that you are now 100% sure that their products are original and qualitative. Thank you for you honest review and stay safe. Sooo this was a challenge but I have finally built my squat rack and dead lift platform and a brilliant set of weights from @aussiestrength #welding #gym #weights #squatrack

My experience with Balkan Pharmaceuticals has been mixed. I have tried their D-bol and adex and both worked as expected. However, I have tried their aqua test (testosterone suspension in water) twice and was disappointed both times. The aqua test has the same viscosity as water in the amp when you shake it and at first thought I expected it to ...

Inspired by @leviarsl . Mixed in some double snatch into my #runningintervals today. This is a movement I rarely do and the heaviest I've done before was 20kg bells, so happy to work up to 32s. Video is a set of 10 with 28kgs (123# combined).
Reviewed by a non-active member of eroids.com. Great guys Balkan pharm product better than the Asian product (dbol ms and ds). way stronger effect with the amount I take from Balkan 30mg feels like 50 mg from the Asian brand. Delivery almost 20 days but arrive with no problem. will order again best quality and price.
