The \$7,500 EV tax credit will see big changes in 2024. What to know : NPR

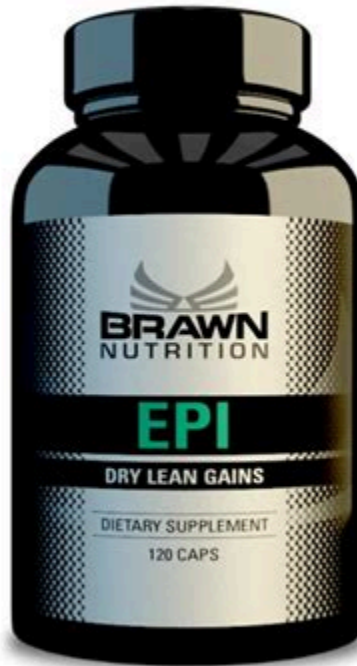

That's because if you buy a used electric vehicle — for 2024, from model year 2022 or earlier — there's a tax credit for you too. It's worth 30% of the sales price, up to \$4,000.

Epi 2A3A (EPISTANE) Cycle - Sounds good? | Anabolic Steroid Forums

Hello all, I plan on running a 4 week cycle of Epi 2a3a and need some insight to make sure I'm doing everything correctly. This will be my second ph cycle. My first cycle was cut short due to some preexisting gyno flaring up a little. My nipples have always been abnormally puffy. I didn't realize I had pubertal gyno until the ph I was on .
