Can Ferox be stacked with anything else? Yes! Ferox goes great with any fat burner! Just use Ferox in place of one of your daily fat burner doses. For increased workout performance, Ferox stacks well with Mercury. For increased thermogenesis, Ferox stacks well with Cannibal Claw, Cannibal Carnage, and Predator.

[Chaos&Pain] Predator Diet, Part 3- You're Getting Less Fat . - Reddit

As you can see in the image above, Chaos and Pain Predator confirms exactly what it is right on the front of its bottle. It turns out we were a bit off with our guess, as the product has in fact been designed for the nutrient partitioning category. The only other detail we've got is that Predator packs 60 capsules per bottle, giving it plenty .
