Lg sciences andro bulking kit - AnabolicMinds

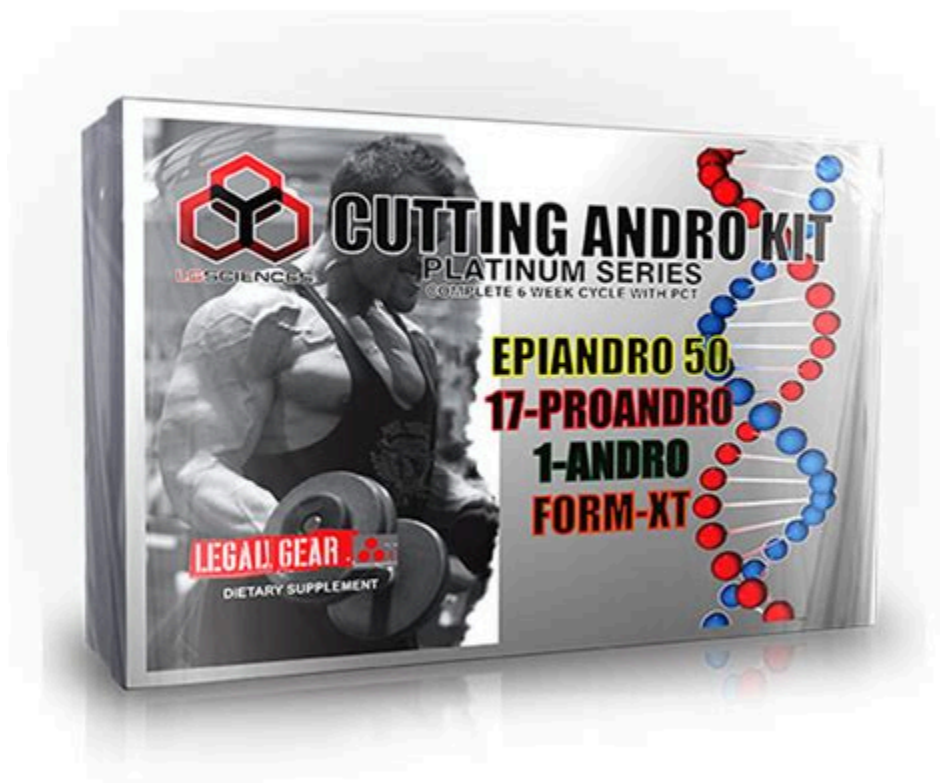

#1 Hi guys, need some good advice, 3 days now since starting this bulking stack, first time ph or steroid user. I want to gain 10-20lbs and im hearing the bulk kit is quite weak, im thinking isit safe to buy another kit and double the dosage? As i dont want to do the whole 6 weeks and not be happy. Im 35years old, 6. 1 and currently weigh 11. 10.

LG Sciences Cutting Andro Kit Platinum Series - nutritionarsenal

That's the kit. Most reviews said no sides since it's relatively mild compared to real gear. The PCT is pretty effective as the different anti aromatase stuff I've used over the counter eventually kill my sex drive and how I know it's working well lol Been off a week or so now and just taking maca and my usual preworkout/intro workout stuff the drive is already coming back.
