

11 comments New Add a Comment delisee123 • 5 mo. ago Just order it to spain from wxnlabs. I wanted to try it because its my first time with dark labs and i wanted to try the gold one but its out of stock so i decided to try the new barbarian and the normal one. Do you think this barbarian gives u euphoria like the gold one? [deleted] • 6 mo. ago

**THERE IS NOTHING LIKE IT! Dark Labs Crack Barbarian Pre . - YouTube**

I'm trying to decide whether if it's worth it to go to the trouble of having an friend from the UK buy it

and ship it to me. But the thing is, I already have Crack OG and Crack Gold. And I only take DMAA once a month, so they will last for a long time. I'm particularly interested in knowing how Barbarian differs from those two.
