domestic-supply Reviews: Is this site a scam or legit? - Scam Detector

Domestic Supply is the only source I truly trust. Never been let down at all. Compounds are always legit and pure, customer service is fantastic, shipping is quick and discreet, and the website itself is easy to navigate and find exactly what you're looking for. I've placed at least a dozen orders with them so far and I haven't been let .

Verified Reviewer. "I always feel very bad whenever I listen that one more innocent has been trapped by domestic-supply There are so many negative reviews about them on all over internet which their customers have given because of the irresponsible attitude. Several customers have paid money to these cheap guys but never receive any product.
